FOR IMMEDIATE RELEASE

Venture Construction Group of Florida reels in monies to benefit ARC of Martin County
Local restoration company sponsors annual fishing tournament to raise funds for special needs children

Stuart, Fla. – Venture Construction Group of Florida sponsors ARC (Advocates for the Rights of the Challenged) of Martin County’s Fishing Tournament on June 13. Sponsorship monies benefit ARC of Martin County’s programs for children and adults with developmental disabilities. The second annual tournament starts at 7 a.m. at St. Lucie, Jupiter, and Palm Beach inlets. Weigh-in competition takes place from 2 - 4 p.m. at Twisted Tuna at 4290 SE Salerno Rd in Stuart. The awards dinner commences at 5 p.m. at Twisted Tuna and the gala will recognize the winners based on the top 100 boat entries. For more information on registering or sponsoring please visit <http://www.arcmc.org/>.

“Our staff and crews are excited to support ARC of Martin County’s programs and participate in the tournament. We really like to get involved with our local charities and these events that really get the community together and help us to help others. It’s all about community,” says Steve Shanton, CEO and founder of Venture Construction Group of Florida.

Through intensive educational and vocational skill training, the ARC of Martin County provides supports and assistance that empowers people with disabilities to overcome their challenges, thus giving them greater opportunities to live and work and ultimately become more active citizens within their community. The ARC’s mission is to empower children and adults with Intellectual and Developmental disabilities (I/DD) to achieve their fullest potential through residential, vocational, educational, behavioral and other healthcare services.

“We are fortunate to be able to assist and support more than 500 children and adults and their families each month. We are honored and grateful that our local business community, especially Venture Construction, supports our mission through a variety of means including, sponsorships, volunteerism and other philanthropic community involvement. This bridges the gap in service delivery and enables more and more families who need and rely on the assistance provided by the ARC to receive essential services throughout the year,” says Keith Muniz, president and CEO of the ARC of Martin County.

A major advocate for philanthropic giving and building community, Venture Construction Group of Florida has sponsored and donated tens of thousands of dollars to numerous charities throughout the state. In 2015, sponsorships include the *Walk to Defeat ALS* in West Palm Beach on March 21, 2015; the *Jrc Foundation Golf Tournament to Benefit SafeSpace* in Stuart on June 6, 2015; the *ARC of Martin County Fishing Tournament* on June 13 in Stuart and throughout the St. Lucie, Jupiter, Palm Beach inlets; the *Walk to Defeat ALS* in Miami-Dade County on September 26, 2015; and the *Ride to Defeat ALS* in Tampa on November 7, 2015.

Founded in 1998, Venture Construction Group of Florida has helped thousands of homeowners, commercial property owners, and property management companies with residential and commercial construction, renovations, insurance restoration, storm damage repairs, and 24/7 emergency services throughout Florida including Miami-Dade County, Palm Beach County, Martin County, Hillsborough County, Treasure Coast.
